

PROJECT TIMELINE PROCEDURES

With Project Timeline Procedures, DONE4YOU® Marketing can ensure that clients have a clear understanding of the services and limitations provided, while also enabling the DONE4YOU® Marketing Team to manage our workload effectively and deliver high-quality work.

Project Limit:

Each DONE4YOU® Marketing client is limited to a maximum of three marketing projects at a time. This is to ensure that our agency can maintain a high level of quality and focus on each project.

Revision Limit:

Each project includes up to three rounds of revisions. This means that the client can request changes to the deliverables up to three times without incurring additional fees.

Additional Revisions:

Any additional revisions beyond the three rounds included in the project will be charged \$25/additional round of edits. The client will be notified of this policy in advance of the project, and will have the opportunity to request additional revisions before they are charged.

Scope of Work:

The scope of work for each project will be clearly defined and agreed upon before the project begins. This will ensure that both the client and their DONE4YOU® Marketing manager are aligned on the deliverables and the expectations for the project.

Project Timeline:

The project timeline will be clearly defined and agreed upon before the project begins. The client will be informed of any potential delays or issues that may impact the project timeline, and DONE4YOU® Marketing will make every effort to meet agreed-upon deadlines.
